2019

FREON APPLIANCE RECYCLING

WHAT

Refrigerators
Freezers
Dehumidifiers
Air Conditioners

WHERE

Collection at the
curb/driveway

TO SCHEDULE (JUNE - OCTOBER)

Call 1-877-562-9947 or,
schedule online: clients.recleim.com

Residents need not remove Freon. Freon is managed by certified technicians, and appliances are recycled.

No more than two (2) like appliances per pick up.

Residents may take non-Freon appliances (washers, dryers, microwaves) to local scrap metal dealers.

Materials from businesses, contractors, and schools will not be accepted.

We're proud partners of the Responsible Appliance Disposal (RAD) Program. For more information, visit epa.gov/rad.

RECYCLE...It's easy to do!
